

CONSISTENT QUALITY
EXTENSIVE SELECTION

DR-062-B (20/Box)

*Forged Steel
Bent D-Rings
w/ Weld-On Clip*

DR-062-B
5/8" (6,300 Lb WLL)

DR-100L-B (10/Box)

DR-100L-B
1" (15,600 Lb WLL)

**Other bent D-ring sizes
available by special order*

PCC proudly offers one of the longest 1" bent D-ring in the industry. The extra 1" in length allows the D-ring to extend beyond the edge of the trailer, greatly helping to prevent binding or pinching of chain against the side of the trailer. The extra length allows for greater efficiency when installing or removing tie-downs.
